### TRAIN Learning Network

<https://www.train.org/main/welcome>

- Free
- Presented by the Public Health Foundation
- Not specific to precepting however provides Public Health focused training and professional development opportunities.
- Some nutrition-focused trainings approved for CPE.

### Check with the education department of your facility or organization

- Some hospitals provide educational opportunities specifically for precepting (especially academic hospitals) or on other topics that may be of benefit in your role as a preceptor
- If none are available, request that they be added

### Get CPE credit for precepting!

- Max 15 hours per 5 year cycle
- Must complete form and have it signed by DI director
- For more information visit <https://www.cdmnet.org/cpeu-credit-for-preceptors>
